

I listen to K-LOVE on a regular basis and would like a chance to explain why it would be a loss to the community if it were displaced by another LPFM station. K-LOVE provides a lot of information on community events, as well as providing the only contemporary Christian music option in the area.

Loss of K-LOVE would mean there would be very little choice for Christian radio, limiting it to only Gospel music and traditional hymn and Bible Teaching (both of which are fine, but neither provides music for those interested in more contemporary styles).

Thank you for the opportunity to share my concerns. I trust the FCC will consider all options and make the best choice possible.
